Financing your purchase - Frequently Asked Questions

Who Are We?

<Company Name>

<Company Address>

What can we do to help finance your purchase?

We are authorised and regulated by the Financial Conduct Authority for credit brokerage, registration number <FCA Registration>. We work with a number of carefully selected credit providers who may be able to offer you finance for your purchase. We are only able to offer finance products from these providers.

Can we give you independent financial advice?

We are a credit broker and not a lender. We can introduce you to a limited number of lenders and their finance products which may have different interest rates and charges. We are not an independent financial advisor. We may advise you on the products, subject to your personal circumstances, though you are not obliged to take our advice or recommendation.

We do not charge you a fee for our services. Whichever lender we introduce you to we will typically receive a commission from them, either a fixed fee or a fixed percentage of the amount you borrow.

The representative finance examples displayed are designed to give an indication of how a finance agreement could look for this vehicle. Finance is subject to status (for example, your income, employment and creditworthiness) and approval. Finance is only available to permanent UK residents aged 18 and over. Terms and conditions apply. You may need a guarantor or joint hirer.

What can you do if you wish to complain about our services?

If you wish to make a complaint, please contact us in the first instance by writing to us at the above address.

You have the right to refer any unresolved complaint to the Financial Ombudsman Service:
